

President's Message Susan Gorelick

Happy New Year to all our Residents! The Holidays are now officially over. I hope they brought great joy to each and every one of you. As always the Board of Directors owes a special thanks to our Social Committee for helping to make the holidays bright. From the champagne they served as residents decorated the Christmas tree, to our catered dinner party they did a wonderful job! Thanks also to the staff for the great job decorating the circle drive in a truly festive manner.

With an abundance of caution water testing has been carried out in both the South and North Towers. We are glad to inform you the results not only meet, but far exceed both State and Local standards.

Starting this week both towers should have additional staff at strategic times of the day to make it easier for us to retrieve packages. We are also completing a tracking system with the hope residents can be quickly informed when a package is received. An improvement in this area has been asked for by some of our residents ... We listen to your suggestions, and when possible we act on them!

One last caution: power washing followed by painting of our buildings is only a week away. Please make sure your windows are tightly closed, and all furniture is removed from your balcony during this period. General Coating will cover large tables if you are unable to move them. As we had no Board meeting in December, we are hoping to see twice as many of you at the January meeting!

Rainy Season!!

On average, San Diego's rainfall begins to increase in the month of October, peaks between January and March, returning to normal levels in May.

This is just a friendly reminder to assist you in preventing water from entering your unit. Please regularly check that your balcony drains do not have leaves or debris covering them. A blocked drain could cause a flood in your unit.

High Winds

At certain times during this season, there is the possibility for high winds to occur. Residents are asked to please pay attention to the weather

Rule Reminder of the Month! *Charles James, Lead ACO*

For your security and protection, the staff cannot accept non-emergency keys on your behalf. The HOA has a lock box program for your access needs. Please see the Management office for details on the program.

Manager's Message Nicole Cardenas

Holiday Fund:

On behalf of the Horizons' staff, I would like to extend a sincere thank you to those of you who donated to the Holiday Fund. This year we collected \$18,000.00! Your generosity is very much appreciated.

Holiday Decorations:

As a friendly reminder, the permissible timeframe for holiday decorations on balconies, patios, and decks is from Thanksgiving until **January 10th.**

**Help Horizons Save \$\$\$ in
2017!**

There are only a few types of documents that the Association is legally required to send by US mail, so you can receive most Horizons materials via e-mail blast by filling out an Email Consent Form. The savings on paper, copies, envelopes, and postage are substantial!

The address list is suppressed to protect your privacy.

Certain documents are for Owners only so tenant info must not be submitted.

Here's what you'll receive: The *Horizons News* with Board Meeting Minutes attached; Notices, Annual Audits, Annual Budgets & Reserves Summaries, Rules & Regs and Surveys.

You can print the form from www.horizonshoa.com and fax it to 619-231-9736 or stop by the Management Office and pick one up!

New Year -- More Cheer!

Jack Ray, Social Committee Chair, jray1955@att.net

What a busy year end! Horizons' last event of 2016 was a caroling outing with 80 or so of our condo neighbors. 15-20 Horizonians were part of the joyous caravan, caroling our way from Horizons to Pinnacle to City Front and on to Seasons 52, where we were treated with food and libation.

This year's Holiday Happening commenced with champagne and our *Homes on Parade*. Thanks to the eight Owners who opened their condos for us all. It's great fun seeing what our neighbors have been up to with new enhancements.

Thanks to **Al & Suzette Good**, Horizons Owners and proprietors of Shale Oak Winery in Paso Robles, for contributing two cases of wonderful wine. Our lobby and lounge were packed with happy partygoers enjoying the splendid array of passed and table hor d'oeuvres presented and served by All Aspects catering. The sixty turkey/cranberry sliders by Simon's, across 1st Av. from us, disappeared in less than thirty minutes. Could have ordered another sixty. Music by the guitar duo, the Sophisticados, complemented the ambiance and inspired some dancing late in the evening. Many said it was the best party ever!

Plans for 2017 include a Horizons Happy Hour on Friday January 13 (yep), and our traditional Super Bowl tailgate bash on Sunday February 5.

The Social Committee is very pleased to have been able to deliver events throughout 2016 and to see so many members of our Horizons community attend and share in our many happy happenings. Our best to you for 2017
